

## **Directions to Patty Cannon's office**

4026 NE 55th Street, Suite D, Seattle, WA 98105

**My office is on the east side of the ground floor level of Hawthorne Hills Professional Center, which is generally northeast of University Village, or about 6 blocks north of Children's Hospital.**

\* **From Interstate 5**, proceed eastbound on NE 45th Street, through the University of Washington district, then down the hill and past University Village... \*\*

\* **From Evergreen Point Bridge (520)**, take the Montlake Blvd Exit, and proceed northbound on Montlake Blvd, passing Husky Stadium, and continuing toward University Village. Montlake Blvd turns into NE 45th street going eastbound... \*\*

\*\* *Continue eastbound* on 45th and pass through three intersections with stop lights, you'll see that 45th now curves in a northeasterly direction and actually becomes Sandpoint Way. You'll see a Wells Fargo bank on the right and you'll get into a left hand turn lane for 40<sup>th</sup> Avenue (Sandpoint Way at that point will be divided with a large median with trees).

Take a left hand turn onto 40th Avenue, going northbound. Continue to NE 55th Street, where you'll see the Metropolitan Market grocery store on your right at this intersection, and you'll take a right hand turn. Proceed eastbound less than a block and you'll see Hawthorne Hills Professional Center on the left hand (north) side of the street. Enter the glass doors on the easterly half of the building and then you'll see the door for Suite D.
